Dive Club 2012

The Seastyle dive club was set up to provide our customers an avenue to experience and explore the underwater world. In keeping with the Seastyle's nature of Caring, Competent and Fun we will endeavour to organize events both in and out of the water to keep diving at the forefront of our busy lives.

New for 2012 the club has one single fixed price £45.00 collected just once a year.

Membership is now due every January.

Benefits

Free Access to the swimming pool

Seastyle uses a local indoor pool on a regular basis for training purposes. Members of the Club are entitled to use the pool free of charge. These sessions can be used to test out new kit or kit before going on holiday. . If you wish to bring a buddy who is not a Club member then a pool entry fee will be charged at £15 per time which includes the hire of tank and weights. A reservation by phone/text/email is vital.

Free Cylinder & Weight Belt hire on Seastyle Organised Local Dives.

Members of the Club who have booked on any local dive trip with Seastyle are entitled to free tanks and weight hire. This is limited to 1 tank per person This doesn't include extra tank fills these must to be paid for whilst away by the hirer.

Social Events

Join us on one or all of our planned 10 social events for 2012. From dive presentations, meals out or ten pin bowling. You may only be able to make one or be luckily enough to join all of them. We hope to have our social diary completed in late January.

First option on all organised dive trips and holidays

All Club members will be notified 3-5 days prior to any general newsletter going out to the Seastyle database about UK and overseas dive trips organized by the Dive Centre. This is to give members priority booking. Any reservation needs to be accompanied by the appropriate deposit. Conditions apply.

Find a Buddy Service

Introduced in 2011 this has proved popular with our members that work shifts and work dates often clash with our organised dives. Email over your details, dates and where you would like to dive and we will email members within the club. Please note this service is not to be used to find a buddy at the last minute!

Dive with us on any of our organised local dives

In the past this service has been available to all divers, unfortunately we can no sustain this service for free, so we have included it! If a club member wishes to bring along a non-member the cost is £25.00 but does include cylinder and weight belt hire.

*Free Air Fills**

** Free air is subject to us supplying the cylinder or testing provided by Seastyle.*
